Reading

Animals have many different colors. Have you ever wondered why? Many animals have colors that help them match where they live. This is called “camouflage” and it helps animals hide.

Reading

Polar bears and cheetahs can camouflage to hide while they hunt. Lizards can camouflage to hide from animals that hunt them. Camouflage helps animals survive.

Reading

1. What is camouflage?
2. What animals can camouflage?
3. How does camouflage help animals?

What should we do?

Protect wild animals.

What should we do?

Protect wild animals.
