Reading

Plants are an important part of our world. They help make our air clean, so we can breathe.

Willow trees are cool because they also clean water. Their leaves take in nutrients from ponds or lakes.

Reading

Did you know plants also give us food? Fruits and vegetables are all plants! We can also eat some flowers. For example, in Asia, it is common to eat lotus.

Reading

1. Why are plants important?
2. Why are willow trees special?
3. What kinds of plants can you eat?

Grammar

Passive voice: Use to emphasize an **object** instead of a **subject**.

To make the passive voice, use “to be + **(past participle)**”

Example:

The **cashier** counts the **money**.

The **money** is being **counted** by the **cashier**.

Grammar

Match the word to its past participle.

take written

write taken

hold come

come held

Grammar

Change these sentences to the passive voice.

1. I ate eggs.

The eggs were eaten by me.

2. The pirate found the treasure.

The treasure was found by the pirate.

3. The cat chased the bird.

The bird was chased by the cat.
